

BIBLIOGRAFIA MONTE ATHOS

Una doverosa precisazione. Questa bibliografia non ha pretese di sistematicità e completezza; infatti, non comprende le opere dedicate all'Athos scritte in lingua greca, russa e altre lingue orientali. Inoltre, della letteratura occidentale riguardante il Monte Athos, include quasi esclusivamente libri, e non le numerose pubblicazioni apparse in giornali, riviste, periodici e simili. Eccezione è stata fatta per gli articoli, memorie e resoconti di particolare rilievo e importanza (ad esempio, le *Mémoires* di Francois Braconnier contenute nel tomo II delle *Missions archéologiques francaises en Orient*).
